Objective

Pre-medical student passionate about health care for low-income communities, seeking community-based work in healthcare.

Education

Sophomore | University of California, Berkeley

Major: Public Health, Minor: Global Poverty and Practice

Expected Graduation: May 2020, GPA: 3.876

Relevant Courses: General Biology, General Psychology, Introduction to Human Physiology, Computer Science, Introduction to Sociology, Global Poverty: Challenges and Hopes in the New Millennium

Experience

Volunteer, Palo Alto Veterans Affairs Hospital | Summers 2015 - 2017

Volunteered during the summer in Spinal Cord Injury External Unit. Read and cataloged articles for veteran psychologist. Transported patients across hospital.

Research Assistant, Berkeley Center for Social Medicine | Oct. 2017 - Present

Researching how racism affects the health of women, specifically their cardiovascular system. Conducted literature review of American Journal of Public Health.

Contributor, The New York Times | Feb. 2

Wrote an Opinion Editorial for prestigious newspaper, New York Times, after covering the protests at UC Berkeley surrounding Milo Yiannopoulos speaking on campus.

Executive City News Editor, The Daily Californian | Aug. 2017-Present

Work full-time as editor for UC Berkeley's independent student newspaper. Edit daily stories, write crime briefs and report on long-term investigative stories. I've worked in the News department since August 2016, writing about 2-3 stories a week.

Notetaker, Disabled Student Program | Aug. 2017 - Present

Take notes for classes and submits to program for disabled students to use.

Research Assistant, African American Studies | April. 2017 - Aug. 2017

Research police-civilian encounters and police suspicion. Assisted with qualitative research and analysis. Transcribed and encoded video data.

Stories

[How Violence Undermined the Berkeley Protests](#) | The New York Times

I was asked by a New York Times editor to write this piece. In it, I argue that the violence sparked during Milo Yiannopoulos' visit undermined the student protesters' goals and placed our campus in danger.
